Research Symposium

November 29th 2024

Heidelberg University Hospital 10:00—17:30

Bridging Disciplines: Advancing Sex and Gender-related Research in Biomedicine

Join us if you want to:

- Uncover how gender and sex influence disease symptoms and their molecular mechanisms.
- Learn why considering gender in clinical research is crucial for treatment success.
- Connect to other scientists working on sex and gender-related research fields

Keynote/Panelists:

- Prof. Dr. med. Carolin Lerchenmüller (Zürich University)
- Prof. Dr. Christiane Schwiegen (Heidelberg University)
- Prof. Dr. Gertraud Stadler (Charité Berlin)
- Prof. Dr. Sabine Ludwig (Innsbruck University)
- Dr. Theodoros Kapellos (Helmholtz Munich)
- Prof. Dr. med. Wolfgang Wick (Heidelberg University)
