DR. HENRIETTE KIRCHNER

University of Lübeck

TUESDAY, 29.11.2022

1 - 2 PM

HOW FUNDING PROGRAMS SUPPORT YOUR ACADEMIC CAREER

Prof. Henriette Kirchner is a nutrition scientist by training. After receiving her PhD from the University of Potsdam and the University of Cincinnati in 2011, she moved to Stockholm for her post-doctoral studies at the Karolinska Institute funded by a prestigious EMBO longterm fellowship. Funded by the Emmy-Noether Program from the German Research Foundation DFG Prof. Kirchner returned to Germany in 2014 and joined the Center of Brain Behavior and Metabolism (CBBM) at the University of Lübeck where she currently leads the Epigenetics & Metabolism group. In 2020 she received a W2-Professorship and was associated to the Institute of Human Genetics at the University of Lübeck.

Dr. Kirchner has won numerous awards including the Ethan Sims Young Investigator Award from The Obesity Society (2009) and the Young Investigator Award from the Leibniz Foundation (2011).
