From Basic Cancer Research to Innovative Therapies

2-4 March, 2020

The David Lopatie Conference Centre
Weizmann Institute of Science, Israel

Hosted by the Moross Integrated Cancer Center (Weizmann Institute of Science) and the Technion Integrated Cancer Center, the conference will address state-of-the-art issues in basic and translational cancer research, as well as their clinical implications. The conference will focus on recent cancer related discoveries pertaining to immunotherapy, genetic alterations, metabolism, the microbiome, tumor microenvironment, senescence, cancer progression and metastases, as well as innovative technologies in cancer therapy.

CONFIRMED SPEAKERS

Ittai Ben Porath
Hebrew University of Jerusalem
Yosef Buganim
Hebrew University of Jerusalem
Arkaitz Carracedo
CIC bioGUNE
Webster Cavenee
Ludwig Institute for Cancer Research, UCSD
Rony Dahan
Weizmann Institute of Science
John Dick
UHN and University of Toronto
Ayelet Erez
Weizmann Institute of Science
Neta Erez
Tel-Aviv University
Naama Geva-Zatorsky
Technion
Eyal Gottlieb
Technion
Yona Keisari
Tel-Aviv University
Mary-Claire King
University of Washington
Alan Korman
Bristol-Meyers-Squibb
Valery Krizhanovsky
Weizmann Institute of Science
Scott Lowe
Memorial Sloan Kettering Cancer Center
David Malkin
Hospital for Sick Children & University of Toronto
George Miller
New York University
Moshe Oren
Weizmann Institute of Science
Gideon Rechavi
Sheba Medical Center
Varda Rotter
Weizmann Institute of Science
Yarden Samuels
Weizmann Institute of Science
Avigdor Scherz
Weizmann Institute of Science
Ruth Scherz-Shouval
Weizmann Institute of Science
Avi Schroeder
Technion
Yuval Shaked
Technion
Ravid Straussman
Weizmann Institute of Science
Craig Thompson
Memorial Sloan Kettering Cancer Center
Andreas Trumpp
Deutsches Krebs Forschungs Zentrum
David Tuveson
Cold Spring Harbor Laboratory
Jennifer Wargo
MD Anderson Cancer Center
Valerie Weaver
University of California San Francisco
Jedd Wolchok
Memorial Sloan Kettering Cancer Center

A number of student travel fellowships will be provided

ORGANIZING COMMITTEE
Varda Rotter, chair
Ari Elson, co-chair
Yuval Shaked
Eyal Gottlieb
Valery Krizhanovsky
Avi Schroeder
Ruth Scherz-Shouval
