

# EXPLORE THE POTENTIAL OF YOUR RESEARCH!

[www.youngentrepreneursinscience.com](http://www.youngentrepreneursinscience.com)

For PhDs,  
postdocs &  
advanced master's  
students of all  
disciplines

## Online Workshop • 17.07.2025 • 9 am – 2:30 pm YOUR RESEARCH'S POTENTIAL

Have you ever thought about the application potential of your own research? You will reflect about user groups and the network of stakeholders that surround you and your research. Brainstorm potential use cases and help each other to take your ideas to the next level. You will also develop your pitch storyline and receive feedback from our experts and an interdisciplinary team of peers, who are – like you – PhDs or Postdocs with the ambition to innovate.

### Who we are

Young Entrepreneurs in Science is an interactive workshop programme for PhDs and postdocs to help you ignite your entrepreneurial spirit! Together with your peers, you will learn methods and skills to realise your innovative potential.

Admission is free and no previous knowledge is required.

### Workshop Goals

- Reflect about the potential of your own research topic/idea
- Develop or extend potential use cases based on your research & network
- Get to know the key ingredients of a successful pitch
- Practise your presentation skills in front of an audience
